YOUR GIFT HAS THE POWER TO CHANGE THE LIFE OF A CHILD

"Before Canyon Acres I never knew what it was like to live in a normal home. When I was born, I was immediately taken away from my parents and placed in the intensive care unit at the hospital because I was blue, not breathing, and in withdrawals from heroin and cocaine that was in my system. From that point on my life did not go so well. I was moved from home to home never really fitting in and always feeling alone until one day I wound up at a wonderful place called Canyon Acres. Canyon Acres supported me in my time of loss and reminded me that I was strong enough to push through the dark. If it wasn't for Canyon Acres I wouldn't have the life that I have now." – Ricky
