

## Canyon Acres Therapeutic Horse Riding Program

With the help of our therapeutic horses, we are able to provide a unique and highly successful therapeutic horse-riding program for the abused, neglected, and emotionally troubled children we serve.

The program's much-valued horses receive the very best of care; despite the fact that the hard costs of horse ownership continues to rise each year. On average, it now costs about \$6,000 per year to provide food, medical services, and shoeing for each of our therapeutic horses. Supporters of Canyon Acres Therapeutic Horse Riding Program can help offset this substantial expense by making a donation:

- \$1,000\*
- \$750
- \$500
- \$250
- Other \_\_\_\_\_

\* With gift of \$1,000 or more, the donor will receive a Certificate of Appreciation with a picture of their favorite horse and their name displayed on their favorite horse's stall and on the website.
